BIANCHI

GRILLO, CANTINE FINA: SICILIA-ORGANIC-DOC (VE)

£32.80

Vinified from the grape variety Grillo typical of western Sicily, this straw-yellow white wine reveals wonderful citrus tones and floral notes

CHARDONNAY, CANTINE FINA: SICILIA-ORGANIC-DOC (VE)

£34.40

The grapes that make this wine are harvested in two stages. The first takes place on the vines of a nature reserve on the seafront and at sea level, where the sandy soil and sea breeze give the wines intense sapidity. The second harvest comes from 300 metres above sea level and is slightly earlier in order to obtain richer aromas, freshness and crisp acidity.

ROSSI

U[TCJ."CANTINE FINA: SICILIA-ORGANIC-DOC (VE)

£34.20

The red kissed by the sun! Produced from slightly overripe grapes of Merlot, Syrah and Frappato, a fragrant wine with an intense bright red colour. Round on the palate, its great freshness is expressed in the mouth, complete with a good presence of tannins.

NERO D'AVOLA, FEUDI BRANCIFORTI DEI BORDONARO: SICILIA-ORGANIC-DOC (VE)

£36.50

Undisputed prince of Sicilian viticulture since ancient times. Bred according to practices that respect environmental sustainability, the grapes from this vineyard grown around 300 m above sea level are harvested manually at the beginning of autumn.
